THE DOCTOR'S QUESTION.

Much Sickness Due to Bowel Disorders.

A doctor's first question when consulted by a patient is, "Are your bowels regular?" He knows that 98 per cent of illness is attended with inactive bowels and torpid liver, and that this condition must be removed gently and thoroughly before health can be restored.

Reall Orderlies are a positive, pleasant and safe remedy for constipation and bowel disorders in general. We are so certain of their great curative value that we promise to return the purchaser's money in every case when they fail to produce entire satisfaction.

Reall Orderlies are eaten like candy, they act quietly, and have a soothing, strengthening, healing influence on the entire intestinal tract. They do not purge, gripe, cause nausea, flatulence, excessive looseness, diarrhoea or other annoying effect. They are especially good for children, weak persons or old folks. Two sizes, 25c. and 10c. Sold only at our store—The Rexall Store. E. T. Whitehead Company.

Rev. Chas. A. Jones to Leave.

At the recent session of the North Carolina Methodist Conference Rev. Chas. A. Jones was assigned to Pantego and Belhaven on the Elizabeth City district. Rev. J. A. Daily was sent to the Scotland Neck church. While the church regrets to give up Mr. Jones they are exceedingly fortunate in securing Mr. Daily as their pastor for the coming year. Mr. Daily has been stationed at Carr church in Durham the past four years and has done a good work.

Mr. Jones will go to his new field carrying with him the best wishes, not only of his congregation but of the entire community where he has lived for three years. There are very few changes in the Conference that will have stronger preachers than the Pantego and Belhaven.

The County Commissioners.

The County Commissioners held a busy session at Halifax Monday. The board is composed of W. R. Harvey S. P. Johnston, S. T. Thorne, Jr., S. G. Whitfield and H. A. Edwards. Mr. W. R. Harvey was re-elected chairman and Mr. Geo. C. Green was re-elected county attorney.

The county officers filed their reports and took the oath of office for another term of two years.

The annual statement was given to the Roanoke News for publication.

Quite a large number of accounts were audited and ordered paid.

Mr. H. A. Edwards the new member of the board takes the place of Mr. B. A. Pope, who declined to run again. Mr. Pope served the board for ten years and made one of the best commissioners. His successor, Mr. Edwards, is a business man of Roanoke Rapids, being connected with the paper mill there.

A Nice Auto.

Mr. S. B. Kitchin has received the Model 51 Overland automobile that he ordered through G. C. Weeks Auto Company, and it is certainly a pretty machine. It has front doors, both of which can be used, the levers and pedals, also the door latch handles are all inside of the machine. It is easy to operate, is powerful, and quiet running.

Mr. Kitchin is more than pleased with his selection of a machine. He investigated automobiles quite extensively before he made the selection, and had every reason to believe that he was getting the best machine at the price that there is on the market, and now that he has received the machine, he finds that he was right.

Mr. Kitchin takes pleasure in recommending the Overland to any one who wants a good machine at a reasonable price.

Court in Session.

Court convened at Halifax Monday morning, with Judge M. H. Juice presiding, and Solicitor J. H. Kerr present on behalf of the State.

The grand jury was drawn as follows: Horace Pittman, J. E. Condy, G. N. Meiton, C. R. Emory, Jno. C. Jenkins, J. H. Faucett, J. A. Dickens, J. A. King, A. O. Ferrall, W. E. Hull, R. M. Purnell, Hugh Bloomer, Henry Farbar, W. H. Wilcox, W. S. Crisp, J. W. Allsbrook, J. E. Condy was appointed foreman and W. T. Hawkins officer to the grand jury.

Judge Justice then proceeded to deliver his charge to the grand jury which was considered a very able charge. It was clear and to the point. The criminal docket was then taken up and a few minor cases disposed of. The case of State vs. Sue Covington was set for Wednesday morning and the Minshew case will be called to-day (Thursday). Court will likely adjourn Friday or Saturday.

E. T. WHITEHEAD COMP'Y.

The Tenderfoot Farmer

It was one of those experimental farmers, who put green spectacles on his nose and fed his shavings. His theory was that if a cow ate what the cow ate so long as she was fed, the quality of digestion and nourishment had not changed by his calculations.

It's only a "tenderfoot" farmer that would try such an experiment with a cow. But many a farmer feeds him off regardless of digestion and nutrition. He might almost as well eat shavings for all the good he gets out of it. The result is that the stomach and bowels are the origin of digestion and nutrition are impaired and the man suffers the miseries of dyspepsia and the agonies of nervousness.

To strengthen the stomach, restore the activity of the organs of digestion and nutrition and brace up the nerves, use Dr. Pierce's Golden Medical Discovery. It is an unfailing remedy, and has the confidence of physicians as well as the praise of thousands of people by its use.

In the strictest sense "Golden Medical Discovery" is a temperance medicine. It contains neither intoxicants nor narcotics, and is as free from alcohol as water. It contains neither opiates nor dangerous drugs. All ingredients printed on its outside wrapper.

Don't let a dealer delude you for his own profit. There is no medicine for stomach, liver and blood "just as good" as "Golden Medical Discovery."
